

Call For Nominations for BCTA/NA Directors

The BCTA/NA Board of Directors are accepting nominations for Directors. BCTA/NA is an all volunteer organization and **it needs your help to survive**. Presently we have four Directors and have five open seats.

The Board of Directors sets the BCTA/NA policies, goals, and priorities and performs much of the day-to-day running of the organization. By joining the board you will have the opportunity to work biodynamically with a group, contribute to our organization's evolving vision, and enjoy tremendous personal growth.

A complete and effective board needs all types of people and skills. You don't need to have prior board experience, just one year as a member of the organization

To be a board member, you must:

- be available for a monthly conference call of 1–2 hours
- contribute an average of five hours a week to board business
- check and respond to email at least every couple of days, as a great deal of board business is conducted over email
- chair or sit on at least one committee or take charge of one aspect of running the organization
- be able to listen to all sides of a story
- be able to work on your own as well as with a group
- be able to complete tasks in a timely manner
- be able to think things through and to consider the consequences of specific courses of action
- be willing to work hard, with joy, vision, and patience

Traditionally, board members begin their terms on June 1 and serve for three years; however, when the board consists of less than nine directors, directors may join at other times of the year. When there are more candidates than open seats, board elections are held. When there are fewer candidates than open seats, the board considers nominees and appoints them.

Please consider nominating yourself or someone you think would be a good board member. Send your nomination by July 20, 2010, to the President, Edwin Nothnagel, edwinnothnagel@embarqmail.com or 919-349-3914.

If you would like to participate in leading our organization onward and upward, please join us. We need your Time, Talent and Treasure as we are an organization “on the move”. It is exciting, challenging, and rewarding. Join the board today!

If you have any questions regarding Director duties feel free to contact any of the current Directors.
