Biodynamic Craniosacral Therapy Association of North America (BCTA/NA)

March 1, 2011

Dear Members,

There are three items of importance to mention to you:

1. It is time to nominate members as candidates for Director to serve on the BCTA/NA Board of Directors. Please read the attached call for nominations from our Secretary Marilyn Angell.
2. Our memberships are due for renewal before June 1, 2011. The membership renewal form can be printed from our website at: http://www.craniosacraltherapy.org/Mem_App.htm and the professional consultation log can be printed from our website at: <http://www.craniosacraltherapy.org/Supervision.htm>
3. The Board of Directors will be sending a letter communicating BCTA/NA policy changes discussed and agreed upon at the September 2010 meeting of the Board and Teachers. You will also be asked for input on some of these issues. Look for that in the mail.

Our Association continues to grow and thrive thanks to your interest and involvement as does the field of biodynamic craniosacral therapy. I look forward to our future as we continue to evolve and serve you as practitioners.

Sincerely,

Edwin Nothnagel, RCST®
President, BCTA/NA
