

Biodynamic Craniosacral Therapy Association of North America (BCTA/NA)

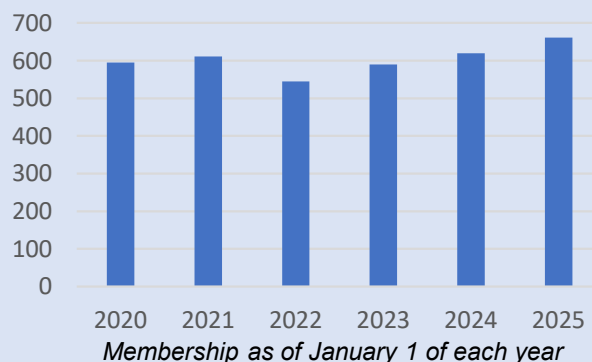

2025 Annual Report

Through the practice, teaching, and sharing of biodynamic principles, we empower personal, relational and global well-being by encouraging awareness of the Inherent Health and Wholeness embodied in all.

Membership

Our membership continues to grow as a result of the number of programs we are now offering. As of January 1, 2025 we are 661 members strong.

Programs

Our programming in **2024** supported our membership and helped them grow in their practices.

- Our one-day on-line Summit, featuring four inspiring speakers, was attended by over 100 registrants.
- The first Global Majority member from our new mentorship pilot program became a BCTA/NA Approved Teacher.
- 9 additional new teachers were approved.
- For the second time the BCTA/NA was represented at the European Craniosacral Association annual meeting where bonds were strengthened with colleagues from all over the world.
- The Stephanie Abramson Fund awarded \$7,000 in scholarships to our Global Majority* members to help them with their BCST foundation trainings.
- 5 Multi-Session Workshops, 3 Meditations, a new Building Your Business book study group and 3 TIDetalks were offered to further educate our community to advance their BCST skills.

** People of the Global Majority (PGM) are Black, Indigenous, and People of Color, representing over 80% of the world's population.*
